

The Funky Funny Fish Coloring Book

The Funky Funny Fish Coloring Book may accompany a similar book called Funny Funky Fish or stand on its own. Most of the characters in the coloring book are also in Funny Funky Fish but there are additional characters as well. The Funky Funny Fish Coloring Book includes a series of 32 drawings of original characters. Most are combinations of fish and other animals but a few are combinations of fish with objects such as tools, the moon and a peanut. All characters are the products of the authors imagination. In addition, he has created all the drawings, as well as the image on the front cover. The genre of this book besides being a coloring book, is humor and features word play, especially puns.
