

## Our Rights: How kids are changing the world

This around-the-world tour introduces readers to children who have taken on the role of social activist, fighting for human rights and social justice in countries as diverse as Yemen and Congo, Canada and the United States. Ten children receive main profiles, and over a dozen others are featured in smaller sidebars. Anita Khushwaha fought against gender and class bias in her community in India. Emman Bagual founded Mind Your Rights to fight child labor in the Philippines. Zach Bonner walked 1,000 miles to raise awareness about homeless children in the United States. A diverse range of other issues is covered, including aboriginal rights, human trafficking and child soldiers, and the full United Nations Convention on the Rights of the Child can be found alongside tips for how kids everywhere can make a difference.

I truly believe books inspire kids. Its one of the many reasons I share childrens book lists with my fellow parents right here every Monday. Scientists and Kids Explore Global Warming (About Our Changing Climate) It is hard to deny that our climate is somewhat warmer right now than it has been If we want our kids to be equipped to make their world a better place by the . scenes what a cool adventure that could be for your kids, right?
