

6 Plus Pupils Book: Maths Extension Activities for Year 6

Challenge and extend the mathematical thinking of able Year 6 children with 6 Plus. The 6 Plus Pupils Book challenges and extends the mathematical thinking of able Year 6 children, with stimulating extension activities for children working at Level 5 and beyond. Children are encouraged to use and apply their knowledge and broaden their understanding of maths concepts. The 6 Plus Pupils Book is suitable for mixed-ability classes or ability sets and can also be used by children working independently.
