

Strategic Human Resource Management provides practical guidance on putting complex HR strategies into practice. Presenting HRM strategies that have been formulated and developed by practitioners, academics and consultants, it demonstrates how these can be implemented in a real-world context and in line with business objectives to effect positive and productive change. Substantially updated, the fourth edition includes new material which reflects important developments in HR strategies, including: human capital management, corporate social responsibility, organization development, engagement and talent management. A new feature, the Strategic HR Toolkit, provides guidance on developing HR strategy through a strategic review.

Three Rival Versions of Moral Enquiry: Encyclopaedia, Genealogy, and Tradition, Education and Theory (Conducting Educational Research), Mis manos que hablan / My Hands that Talk: Lengua de senas para sordos / Sign Language for the Deaf (Spanish Edition), Immigration and Entrepreneurship: Culture, Capital, and Ethnic Networks, The low GI Diet: Lose Weight with Smart Carbs,
