

Conversation Piece

The Conversation Piece will make you think twice about the everyday opinions you take for granted. What instrument is not music to your ears? If, for one day, you could have anything to yourself--any object or place--what would you choose? What food and beverage combination is your personal favorite? What movie character is most like you? The Conversation Piece provides more than three hundred opportunities to explore creatively your thoughts about the world you live in. Its a book about you, about your friends--about everyone you know! If you were an entry in the dictionary, under which word would people find you? Ask yourself today... . You may change your mind tomorrow!
