

Letters to Olivia: If You Could Hear What I Hear

Ever wondered why you are here? Do Gods exist? Do Angels? What happens when you die and why should you behave yourself while living on Earth? Are you connected to other people and why? I am a psychic medium. I am clairaudient. I can hear spirits, ghosts, and other beings. they auto wrote this book through me, and these are their opinions and explanations as to who they are and why they and we exist. This book was written almost entirely by other beings, through me. They answer questions about reincarnation, death, birth, love, aliens, animals, angels among many other subjects. The wording has not been changed at all as these are direct quotes which are transcribed by me.
