Communicates to those who are desiring to advance to another level altogether in learning the true mysteries of Christ... Do not read these books if all you are doing is trying to support a belief system and or are trying to find fault. This work is not for you, please go elsewhere. These books have been specially coded and written only for the true children of the Father to be read in order. To them that hath ears let them hear and to them that hath eyes let them see. Only those who know and understand the Fathers voice will witness the jewel of their crown, the rest will be angered and reject the Word within and must be reseeded. These works are not for those who can only stomach the milk and who are just trying to support their belief system or religious indoctrination.
