

Anthony Meets Dr. Stacy: A Book about ADHD (Meet Dr. Stacy)

Anthony is a very smart and creative six year old who seems to be having a difficult time at home and at school due to his behavior problems related to having Attention Deficit Hyper-Activity Disorder. Then his parents decide it is time for Anthony to meet Dr. Stacy. Dr. Stacy, a counseling psychologist, helps Anthony and his parents with his ADHD diagnosis through cool interventions and life changing strategies that help him reach success in life.
