

Architect of Reformation: An Introduction to Heinrich Bullinger, 1504-1575 (Texts and Studies in Reformation and Post-Reformation Thought)

Heinrich Bullinger stands as one of the most influential Reformers and also one of the most neglected. This book is the first available in English to offer a broad introduction to Bullinger's life and theology. *Architect of Reformation* features contributions from the world's leading Bullinger and Reformation scholars that address such categories as theology, spirituality, ecclesiology, humanism, politics, and family.
