

Dream Yoga: Consciousness, Astral Projection, and the Transformation of the Dream State

Learn the methods used by mystics and seers worldwide to awaken consciousness in the dream state. Among the ancient mystics, shamans, Egyptians, Tibetans, and even modern investigators like Carl Jung, consciousness and the dream state have been of the utmost spiritual and psychological importance. Astral projection, lucid dreaming, out-of-body experiences and vision quests are all part of the extensive practical science of Dream Yoga, the sacred knowledge of consciously harnessing the power of the dream state. Any sincere practitioner who actively utilizes the clues in this book can open the doors to the inner dimensions of nature and the soul, and thereby come to know the truth of the mysteries that exist beyond the reach of our physical senses. * Provides step-by-step guidance leading to personal experience in the internal worlds * Explains how to remember dreams and how to understand them * Filled with examples from all the worlds religions
