Next to George Washington, we must write, upon the Catalogue of American Patriots, the name of Benjamin Franklin. He had so many virtues that there is no need of exaggerating them; so few imperfections that they need not be concealed. The writer has endeavored to give a perfectly accurate view of his character, and of that great struggle, in which he took so conspicuous a part, which secured the Independence of the United States. Probably there can no where be found, within the same limits, so vivid a picture of Life in America, over two hundred years ago, as the career of Franklin presents. Benjamin Franklin, notwithstanding his imperfections, was one of the wisest and best of all the fallen children of Adam. From his dying hour to the present day his memory has been justly cherished with reverence and affection, throughout the civilized world. And there is no fear that this verdict will ever be reversed.

His patriotic history books were the kind that American families were only too happy to purchase for edification of their

children. Jared Sparks, a Unitarian minister and Washington (1834-37) and The Works of Benjamin Franklin (1836-40). William Hickling Prescott interested himself in the history of Spain, especially where leading colonial patriots, Colonel Thomas Cresap had an uncanny knack for being involved with many of the remarkable events and important people of his time.
