

Classic Techniques for Online Roulette. The majority of techniques in this book use level stakes. Any system which relies on progression is doomed to failure. This book illustrates every system and gives links to online videos. Casinos are not recommended as the author does not believe in accepting commissions from them and suggests you distrust anyone who claims otherwise. This book has been written while researching the Program RouletteKeyGold which contains every system in this book. Although the player doesn't need the program to understand this book a free trial is available at RouletteKeyGold.com.
