

Hong Kong Taxation: Law and Practice 1999-2000

Hong Kong Taxation: Law and Practice 19992000 is a professional book on Hong Kong tax system. It explains in detail the taxes under the Inland Revenue Ordinance - Property Tax, Salaries Tax and Profits Tax. Two chapters covering Stamp Duty and Estate Duty are also included to make the book a more comprehensive source of information for readers. Written in a professional and user-friendly style, the book is amply illustrated with practical examples and is cross-referred to relevant tax cases as well as relevant sections of the Inland Revenue Ordinance, Stamp Duty Ordinance and Estate Duty Ordinance. For the convenience of readers, the text is abundantly supplemented with detailed indices of tax cases and statutes. The 19992000 edition fully deals with all changes up to July 1999. All the Inland Revenue Departmental & Practice Notes, including the new and updated ones issued since July 1998, will also be reproduced as Appendices for further reference. Since its first publication in 1981, Hong Kong Taxation: Law and Practice has been revised and updated annually and has become an essential reference for practising tax advisors, lawyers, businessmen, and accountancy students.
