

Butterflies At The Edge Of Forever Deluxe: Discovering And Protecting The Theory Of Everything (Toe)

ToeQuestors from www.toequest.com discover the Secrets of the Universe, as well as the humorously dangerous implications that follow their possession of the Holy Grail of the genuine Theory of Everything. With the worlds future hanging in the balance, they sharpen their wits and skills through the teachings of the learned Grand Masters. Extraordinary mixed media color photo composites of tropical, scientific, and otherworldly scenes beyond compare. Fun science, too. Much original humor. There is no greater quest than to know whence we came and what we are. Humorous and significant. Amazing poems between chapters. Many Theories of Everything looked at. This blend of dramatic prose, mixed with humor, poetry, and illustration makes for a glorious read. This is the deluxe larger color illustrated edition, formerly in 3 volumes, now condensed into 250 pages (the limit).
