

# Introduction to the Human Body (Illustrated Notebook)

Like its predecessors, the new edition of Introduction to the Human Body offers a balanced introduction to the human body especially developed to meet the needs of the one semester course. It provides an effective blend of stunning art and clearly written text to illuminate the complexities of the human body. Class-tested pedagogy is woven into the narrative and figures to ensure that students gain a solid understanding of the material. Illustrated Notebook: Designed to be used in conjunction with Tortora and Grabowskis Introduction to the Human Body, 6E, this study aid provides animations, review materials, chapter quizzes, and a master test.
