

# Broadcast Basics: A Beginners Guide to Television News Reporting and Production

Drawing on 20 years of real-world reporting experience, this broadcast handbook guides beginning journalists through the basics of journalistic writing with a focus on broadcast style and production. Written as a practical tool, the textbook includes advice on finding story ideas, locating and interviewing sources, and writing the various elements of a newscast. Chapters on production and videography, including how to frame an interview and edit jump cuts, ensure that a strong visual presentation complements every written piece.
