In *Catechesis in the Later Middle Ages I: The Exposition of the Lords Prayer of Jordan of Quedlinburg, OESA (d. 1380) Introduction, Text, and Translation*, E.L. Saak presents the first edition and translation of the Exposition of the Lords Prayer by the fourteenth-century Augustinian hermit, Jordan of Quedlinburg. This work, the first of six planned volumes of Jordans Opera Selecta, contributes to our understanding of late medieval catechesis by focusing on a major pillar thereof, namely, the Pater Noster, bringing to light the importance of the Lords Prayer to late medieval religion and the impact of Jordans text on later authors, contributing thereby as well to the understanding of the emergence of the Catechism in the Reformation.
