

Diez Deditos and Other Play Rhymes and Action Songs from Latin America (Spanish Edition)

Singer-songwriter Jose-Luis Orozco has assembled a collection of finger rhymes and other action songs from Latin America. Including favorites such as The Wheels on the Bus as well as folk songs from a variety of Spanish-speaking countries, Diez Deditos is a treat for the eyes, ears, and fingers. Lyrics are presented in both English and Spanish, and easy-to-follow musical accompaniment and diagrams for the corresponding actions are also provided. As in the companion volume De Colores, bright collage illustrations by Elisa Kleven complete the appeal of this fun-filled book.
