

How To Conquer Anger (NABRE) (The Overcomers Library)

In Ephesians Chapter 4, Paul reminds Christians not to get so angry that sin follows. Thus, controlling anger is critical to living according to Christ's example. How to Conquer Anger is a little book with mighty answers that explains four different kinds of anger and provides words of wisdom, encouragement and Scriptures to help people control their temper and conquer anger. This pocket sized text is written in a down to earth style that is easy to understand. Why scripture? Because it is the foundation for facing and conquering anger, and only God's word is the ultimate truth that can give lasting peace.
