

Dry Eye affects millions of people worldwide. If you have dry eye, reading this ebook will help you learn what treatments are out there and what you can do for yourself at home to relieve your symptoms. You will also have access to online support groups for people suffering with chronic dry eye. There are many products for dry eye sufferers that are not widely known, for example, glasses with foam padding in the back to protect the eyes from wind. Many of these products are listed in the back of this book.
