

Dynamic Physical Education Curriculum Guide: Lesson Plans for Implementation

A valuable reference for both the pre-service and in-service elementary Physical Education teacher, this text complements Dynamic Physical Education for Elementary School Children, Eighteenth Edition and is automatically packaged with each copy of the main text. Teachers of kindergarten through sixth grade will benefit from using these lesson plans as a guide for presenting movement experiences and skills in a sequential and well-ordered manner. Plans also include ideas for integrating academic content into daily classes. The lessons are presented in three complete sets that cover unique developmental levels, grades K-2, 3-4, and 5-6. Each section contains a yearlong syllabus to assist teachers with planning. All the information necessary to present a comprehensive lesson is included in this package.
