

Diary of a Mad Lupus Patient: Shortness of Breath

Its not a story. Its reality for many lupus warriors and their loved ones. Why should I do the doctors job?, I asked. Isnt having lupus enough work? How dare a physician ask me to keep track of my own pains, worries, and fears! Little did she know, the very thing she was told would probably end her life--Systemic Lupus Erythematosus (SLE)--would become the very thing that saved her life.
