

# The Encyclopedia of Nails (Hairdressing & Beauty Industry Authority)

This text had been written by one of the most well known, experienced practitioners in this industry, making it the most authoritative guide for all wishing to succeed in this growing field. This essential text has been constructed specifically for the UK market, it includes the latest techniques and the most up to date information on all aspects of nails. The text incorporates several trade secrets - information normally gained only from years of experience. Its content is aimed at both the student studying the NVQ and at the practitioner working in the salon.
