

# Escape to Freedom: The Underground Railroad Adventures of Callie and William (I Am American)

The year is 1858, and a 14-year old house servant named Callie and another young slave named William attempt a daring escape on the Underground Railroad. Traveling by night, these brave teens come across things they cannot believe, such as an African-American newspaper published by escaped slave Frederick Douglass, all the while amazingly avoiding capture. Barbara Brooks weaves fact-based oral histories of the fictional characters Callie and William with rich period photographs, maps, and/or illustrations on every page, that place the adventures squarely within the era.
