

Exploring Reincarnation: The Classic Guide to the Evidence for Past-Life Experiences

Written by one of the worlds leading authorities, Exploring Reincarnation examines the full range of explanations for past-life recall. This definitive study includes case histories from around the world, as well as intriguing theories about the relationship between body and soul from general social beliefs about past lives to detailed questions about karma and past-life regression therapy. It is an outstanding introduction to reincarnation from a historical, scientific, and philosophical point of view.
