

Eyes to the South: French Anarchists & Algeria

Porter's sensitive, learned, and accessible account is highly recommended for anyone wishing to acquire a deeper knowledge of the history of modern Algeria, as well as of the range of anarchist approaches, in both France and Algeria, to the pathways of Algerian politics before and since independence. Mohammed Bamyeh, author of *Anarchy as Order: The History and Future of Civic Humanity* *Eyes to the South* makes a significant and valuable contribution to a small but growing literature analyzing the complex and problematic engagement of anarchists with decolonization in general, and Algeria in particular. David Berry, author of *A History of the French Anarchist Movement, 1917 to 1945* makes a significant and valuable contribution to a small but growing literature analyzing the complex and problematic engagement of anarchists with decolonization in general, and Algeria in particular. David Berry, author of *A History of the French Anarchist Movement, 1917 to 1945* *Eyes to the South* explores important issues from the last six tumultuous decades of Algerian history, including French colonial rule, nationalist revolution, experiments in workers self-management, the rise of radical Islamist politics, an insurgent revival of traditional decentralist resistance and political structures, conflicts over cultural identity, women's emancipation, and major blowback on the ex-colonial power itself. David Porter's nuanced examination of these issues helps to clarify Algeria's current political, economic, and social conditions, and resonates with continuing conflicts and change in Africa and the Middle East more generally. At the same time, *Eyes to the South* describes and analyzes the observers themselves the various components of the French anarchist movement and helps to clarify and enrich the discussion of issues such as national liberation, violence, revolution, the role of

religion, liberal democracy, worker self-management, and collaboration with statisticians in the broader anarchist and anti-authoritarian movements.

David Porter declares his *parti pris* at the outset of this unusual volume: it was the Algerian struggle for independence that first introduced Eyes to the South: French Anarchists and Algeria. It is time to destroy the prisons and the world that goes with them. *Organisation* Review of David Porter, *Eyes to the South: French Anarchists and Algeria*. Alban Bargain-Villeger. Uploaded by. A.
