

At his new school or on the soccer field, all everyone wants to know is why Tomasito is in a wheelchair. His father gives Tomasito a new pet to make him smile, but this bird is a little bit different. Can Tomasitos featherless friend teach him that theres more than one way to fly? Will the cheers Tomasito hears on the sidelines ever be for him? Award-winning author and poet Juan Felipe Herrera scores yet again with this sparkling story of friendship and self-empowerment. The brilliant acrylic paintings by Ernesto Cuevas, Jr., burst off the page with sheer joy.
