

## Fifty Ways to Practice Grammar: Tips for ESL/EFL Students

This book is made for students of English as a Second or Foreign Language. You will learn 50 ways to notice, understand, and practice different grammatical structures in English. The book is divided into two sections: 1) Awareness activities, that help you become aware of structures and understand what they mean and how they function; 2) Practice activities, to boost your accuracy and help you become more fluent in using English correctly. You do not need to be living in an English-speaking country or be currently taking an English class to use this book. However, students who are already in a class can also use this book to study and learn more effectively. Learning another language is never fast, but the Fifty Ways to Practice series will speed things up by showing you how to practice more efficiently and effectively both inside and outside the classroom. It is useful for beginning through advanced levels.
