Detox Relief: Restore Health And Function Back Back To Your Liver, Gallbladder, Kidneys, Blood and Colon When you act today, you can take advantage of a spectacular offer to get this life changing book on the natural herbal ways to restore your health for just \$3.33. Regularly priced at \$7.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Are You Ready To Finally Flush Away All The Toxins That Have Been Polluting Your Body For Years Keeping You Sick, Fat And Lethargic? Does it seem like with every passing year you pack on the pounds no matter how much you diet? Do you ever imagine what it would be like again to feel alive and naturally energized, and so well rested that you feel like you finally caught up on all the sleep youve missed for months? Does your stomach look like you swallowed a bowling ball or your 6 months pregnant? We like to blame a lot on our age but the truth is, we live in an increasingly toxic world where we overeat processed chemically laden foods and were exposed to dangerous environmental pollutants. Our major organs have become so overworked that they can no longer keep up with the toxic load we place on them. And many toxins simply cannot be avoided. But still you wonder, is a detox really necessary? Absolutely! The sheer number of pollutants we encounter daily inhibit our bodys natural detoxification efforts, which leaves us more vulnerable to sickness, disease and hormonal imbalances that lead to weight gain. And regardless of where these dangerous toxins originate from, they all must pass through our bodys main detoxification pathways-namely the liver, kidneys, gallbladder, blood and colon. Is it any wonder that cancer that 1 out of 2 people will be diagnosed with cancer in their lifetime? Therefore, it is critical that we assist our organs that have may not be working up to their full capacity due to the burden weve place upon

them. In this book, you will discover a detailed step-by-step plan on how to detox your major organs and get them functioning properly again. This book goes way beyond simple juice fasts that are so popular today. In fact, it is recommended that you detox your organs first before fasting since it can cause large amounts of toxins to be dumped into liver and kidneys. And if your liver and kidneys are already overburdened and not up to the task, then you could be placing your health in danger. Detox Relief shows you everything you need to know about how to clear your bodys organs clear of deadly toxins so you can easily lose weight, reverse the process of aging and feel 15 years younger! Here Is A Preview Of What Youll Learn... Exactly how and when to detox each your liver/gallbladder, blood, kidneys and colonDiscover how fasting the wrong way can damage your kidneysThe correct way to prepare your body for an intense detoxification2 weird herbs that will cleanse your colon and help to kill off parasites lurking in your digestive tractThe powerful herbal tea that is a powerful blood cleanserDiscover why organic coffee may be the most powerful detox ingredient in the world and why you shouldnt drink it An herbal remedy that dissolves kidney stones and helps you avoid costly and unnecessary surgeryThree simple steps you need to undertake right away to restore health, vitality and function to your body and improve your quality of lifeAnd much, much more!
