

Fundamentals of Cost Accounting: With Topic Tackler CD, Nettetutor, OLC and Powerweb

A direct, realistic, and efficient way to learn cost accounting. Fundamentals is short (736 pages) making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to master. Opening vignettes and In Action boxes show realistic applications of these concepts throughout. The Topic Tackler CD reinforces this realism with video clips of different businesses that use cost accounting. Comprehensive end-of-chapter problems plus Homework Manager provide students with all the practice they need to fully learn each concept.
