

Student Video CD for Go! All in One: Computer Concepts and Applications

Teach the course YOU want in LESS TIME! The primary goal of the GO! Series, aside from teaching computer applications, is ease of implementation, with an approach that is based on clearly defined projects for students and a one-of-a-kind supplements package. **This is a one-chapter book supplement that is designed to be packaged with an Office 2010 or Computer Concepts textbook. **
