

Mathsworks for NSW Book 1 (Cambridge Primary Maths Australia)

Mathsworks Outcomes for NSW 3 is one of a series of seven student workbooks (K to 6) designed to enable teachers to more effectively assess their students learning, consistent with the requirements of the NSW K-6 Mathematics Outcomes. Each book contains 36 four-page units of activities in the strands of Space, Measurement, Number, Chance and Working Mathematically. A review unit follows each of the four groups of nine units. Outcomes are included on each page of all levels of Mathsworks for NSW, together with links to the NSW Mathematics Syllabus.
