

Wuthering Heights (Garnet Oracle Classics)

Heathcliff will never know how much I love him. He is more myself than I am! I don't know what souls are, but his and mine are the same! Cathy and Heathcliff fall in love on the wild Yorkshire moors. They are soulmates. However, Cathy chooses to end their relationship and marry Edgar Linton. Heathcliff is a mysterious man who has had a troubled life. He wants the families who ruined his life to pay. A story of love and revenge. The Garnet Oracle Readers are carefully graded, lexically and structurally, to encourage students to read for pleasure and at speed. The stories are all retold by an ELT author well known for his ability to craft engaging narratives to entertain and educate. * full-colour illustrations * resource and activity pages * easy-to-use glossary Level 5 1,500 headwords Story word count: 14,016
