

Hair For Life

Society places a great deal of importance on our appearance, and your hair and the way it looks has a tremendous impact on your appearance. Not only is the hair on your head or lack of, important socially, but excessive hair in unwanted places is also a big concern. Many men experience hair on their shoulders and backs that they don't want, and some women have unwanted hair on their upper lips. Most of us spend a significant amount of time tending to our hair and spend a lot of money on hair-cuts and hair products. The loss of excess hair can be the source of a hardship. Read, *Hair for Life*, by Dr. Michael Fiorillo and gain insight on understanding hair loss or excess, and the available treatments.
