

Cheap Therapy A Book of Healing Words

In CHEAP THERAPY, A BOOK of HEALING WORDS, Lisa Richey has penned a delightful set of inspirational thoughts. Numbering thirty-one, there is encouragement for each day of the month. Each is disarmingly simple, yet so basic for an enriched life. Curiously, all but a few are verbs, motivating the reader from her status quo. One exception is normal, and Lisa clearly dispenses with the vagaries of that word. Lisa is one of those rare, rare people who with a simple word, picture, quote, or thought touches deep into your soul, to that side that brings us from success into significance. She is a gifted guide on that journey. Judy Girard, President, HGTV
