

This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Riches Quotes from this book: Great abundance of riches cannot be gathered and kept by any man without sin. - Desiderius Erasmus Nothing is so hard for those who abound in riches as to conceive how others can be in want. - Jonathan Swift A mans true state of power and riches is to be in himself. - Henry Ward Beecher Three characteristics—one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words—are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others dont. This book will give you the opportunity to find that right Quote that can change it all.

The Failure of lAction Liberale Nationale, Tanks for the Memories: Floation Tank Talks (Consciousness Classics), Caffeine, Nicotine and Valor: Scenes and Poetry by S.L. Depner, Spanish (Eyewitness Travel Guide Phrase Books), Emotional Intelligence for the Christian: How It Radically Affects Your Hapiness, Health, Success, and Effectiveness for Christ. How to Achieve It Where It Counts Most.,
