

Banned by PayPal

Recently,Paypal, decided to play censor by forcing many online ebook retailers to remove content that related to bestiality, rape and incest, and it has created quite a stir. Once again,we see the rampant hypocrisy in human society when it comes to sex and I wonder why a book like the Bible,which is the first book to refer to incest and bestiality,and is promoted to children, is freely available.[a short critical work of approx 4,000 words]
