

Learn How To DJ Right Now

As a DJ, I have traveled the world listening and learning from the best. As it turns out, there are 8 Crucial DJ principals that a DJ needs to know. Without these 8 crucial principals, DJs remain amateur and rely on information that is not precise and or outdated. You might be saying to yourself, yeah, I asked my self all of those questions above, and I could not find solid answers for any of them. Even if I found some information, without all the pieces of the puzzle, it will never make sense. UNTIL NOW! I have taken all the information I have learned and put together an easy to follow along DJ tutorial. You will see for yourself that this DJ tutorial will teach you all the Pro DJ secrets, that you will not find anywhere, unless of course Roger Sanchez is your best friend. This DJ tutorial is comprised of a list of 8 Essential DJ Tricks and secrets that you will learn easily. These 8 Crucial principals include phrasing, red line avoidance, lead in and lead out times, flawless beat matching, harmonious mixing, equipment, formats, DJ history, and a putting it all together know how, which you will master much faster than I did when I first started out. You will be up to speed on all the Pro DJ secrets in less than 30 days. www.beadj.ca
