

How to Speak and Write Correctly: Joseph Devlins Classic Text

The classic text on how to speak and write English correctly. *** In the preparation of this little work the writer has kept one end in view, viz.: To make it serviceable for those for whom it is intended, that is, for those who have neither the time nor the opportunity, the learning nor the inclination, to peruse elaborate and abstruse treatises on Rhetoric, Grammar, and Composition. To them such works are as gold enclosed in chests of steel and locked beyond power of opening. This book has no pretension about it whatever,-it is neither a Manual of Rhetoric, expatiating on the dogmas of style, nor a Grammar full of arbitrary rules and exceptions. It is merely an effort to help ordinary, everyday people to express themselves in ordinary, everyday language, in a proper manner.

Author: Joseph Devlin. The classic text on how to speak and write English correctly..
