

Human Sexuality in a World of Diversity

The perfect balance between science and pedagogy. Human Sexuality in a World of Diversity, 8e examines the rich diversity found in human sexuality and helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. Firmly rooted in science, the text systematically encourages students to apply the research to their own lives.

This book is written with a focus on broadening understanding of the range of cultural differences in sexual experiences-both around the world and within our
