

Id Rather Die! Public Speaking Survival Skills

How to design and present your talk or presentation so people listen, and so YOU feel strong and powerful. No more going blank in the middle of your talk. No more crazy presentation-stress, or bored audiences. Whether you are storytelling, running meetings, motivating teams or about to present the next mind-blowing TED talk, Robert Scanlon will show you how to: Get rid of your nerves, and unlock your inner confidence in minutes; Project a powerful, confident and charismatic image; Use the right words to motivate, persuade and convince; and Structure every presentation, talk or speech to achieve the outcome you want. Never forget where you are in your talk ever again! Robert will also show you how to use proven adult-learning models to reach every personality in your audience and have them on the edge of their seats. If you want to dramatically improve your public speaking and presentation skills whether you are an experienced pro, or still suffering from those crippling nerves, you'll find Robert's book packed with practical methods and powerful techniques distilled from his more than twenty years experience in going from a nervous, shy and introverted speaker to building a business centered around presenting and training others. Whether you need to talk to one or two people, or a cast of thousands; whether you're a total beginner, or whether you're an experienced pro looking for ways to improve, Robert Scanlon promises to be your secret weapon. Robert says: If I can do it, so can you! Robert has taught public speaking to thousands of people worldwide, and he's often called the trainers trainer. But it didn't come naturally in the beginning. He used to experience crippling performance anxiety and would be more likely to throw up in the bathroom than wow a crowd. But this twenty-year veteran overcame it all, and now Robert has distilled all his methods, systems and

magic into one comprehensive volume. *Id Rather Die! Public Speaking Survival Skills* is a complete resource that takes a unique approach to presenting. It is packed with real-world techniques, tools and tricks of the trade that will stop your nerves in their tracks and turn you into a powerful presenter. With this book you'll shortcut years of trial and error, and apply methods that will shock your colleagues. In this book, you'll learn: How to calm your nerves in seconds The magic technique to memorize and simplify your speech A four-step model to persuade, inform, educate and entertain How to handle controversial topics and difficult audiences How to be fantastically funny, and much, much more! Through dozens of examples and plenty of step-by-step techniques, Roberts book is your go-to guide for transforming your public speaking skills.
