

Jake is excited about going to the beach with Mother, Father, and his little sister, Kelly. He wants to help out so they can be on their way. After spilling the milk, breaking a plate, and sloshing pickle juice in the picnic basket, he finally goes to his room feeling like he's just in the way. While waiting for Mother and Father to finish the chores, he reads books to Kelly. When they get to the beach, Jake helps Kelly build a sand castle and teaches her how to swim. At the end of the day, Mother and Father explain to Jake that he was a big helper even though he didn't realize it.
