

The Inspirational Writings of C.S. Lewis

C.S. Lewis, one of the worlds most celebrated authors, writes candidly, clearly, and from the heart about the deepest human concerns of faith, joy, and love in this outstanding collection of four of his best loved works. *Surprised by Joy* is a moving chronicle of a modern man who loses and regains his Christian faith; *Reflections on the Psalms* explores their relevance to contemporary life; *The Four Loves* sheds light on human affection, friendship, erotic love, and the love of God; and *The Business of Heaven* is a collection of meditations for every day of the year. As Lewis wrote, Joy is the serious business of heaven, and that business, and that goes into making it successful, is celebrated in the writings contained in this special collection.
