

# Instant Conversation English for Spanish: Learn to Speak and Understand English for Spanish with Pimsleur Language Programs (Conversational) (Spanish Edition)

El Metodo Pimsleur es el programa de aprendizaje de idiomas mas eficaz de la historia. Con Pimsleur usted domina rapidamente la estructura del idioma ingles sin tener que someterse a ejercicios aburridos. Aprender a hablar ingles termina siendo una experiencia amena que le llena de satisfaccion. La gente sufre al aprender un idioma mas que todo porque la instruccion es deficiente...solamente enseñan el idioma a medias. Otros programas de enseñanza de idiomas solo venden pedacitos del idioma: diccionarios, libros de gramatica con instrucciones, listas de centenas o miles de palabras con sus definiciones, y casetes de audio con ejercicios inutiles. Luego queda en manos del alumno buscar la manera de ensamblar todos los pedacitos para conversar. Con Pimsleur usted se dedica a aprender a hablar el idioma y no a estudiar sus componentes. Cuando usted aprendio espanol, ya sabia hablar antes de saber conjugar verbos, ¿cierto? Por supuesto que si. Ese proceso de aprendizaje natural es lo que Pimsleur emula. Pimsleur presenta el idioma como una unidad integral para que usted aprenda sin contratiempos. Millones de personas han aprovechado el Metodo Pimsleur para adquirir destrezas conversacionales verdaderas en uno u otro idioma con rapidez y facilidad, donde quiera y cuando quiera...sin libros, sin ejercicios escritos y sin repeticiones sosas.

Ingles conversacional incluye las 10 lecciones del Ingles Basico de Pimsleur, mas 6 lecciones mas.
