

Its Not about the Fish

Having always been fascinated with fly-fishing while growing up on a hardscrabble ranch too small to survive, Bryans journey begins on a quaint Montana creek at a time others his age are suffering mid life crises. That first fly-fishing lesson leads to a host of encounters, each contributing to the understanding that the meaning of life has nothing to do with a peaty single malt scotch crisply splashed over ice, but the journey does. The cast of characters, each contribute to Bryans understanding that what you learn is never as important as what you will do with it. In the end, after Bryan learns lifes single truth and the secret to all happiness, we return to the monster steelhead. However, life is not always what it seems and Bryan faces an unexpected ethical challenge. Confronting that challenge Bryan uncovers the final piece of lifes puzzle, that there is a life going on around us that is all too frequently missed. Realizing that the peripheral life holds countless rewards, he discovers that there are even more gratifying prizes when you do the right thing.

Many men go fishing all of their lives without knowing that it is not fish they are Theress a fine line between fishing and just standing on the shore like an idiot. III Focusing on the Process for Achieving Success Its Not about the Fish, Its about the Experience of Fishing DISTINGUISHING BETWEEN DOING AND BEING Fishing is the practice of catching fish. It is a pre-historic practice dating back at least 40,000 The term is not usually applied to catching aquatic mammals, such as whales, where the term whaling is more appropriate, or to farmed fish.
