

Jack Fish

A comedic noir [that] brims throughout with hyperspecific detail and hipster patois... . I was, uh, fairly hooked. Henry Alford, The New York Times Book Review Zany, bouncy, endlessly droll... . Through the eyes of a true foreigner New York seems more grimy, eccentric, and alive than ever. Publishers Weekly Greatly entertaining. San Francisco Chronicle A pure pleasure. Booklist A breezy romp through downtowns metrosexual underbelly. The Village Voice A wild ride through a groovy new novelists imagination. James Ellroy An astonishing literary debut... . No doubt about it, Jack Fish will blow you out of the water. Eric Garcia Hard-boiled yet comedic, realistic yet absurd Jack Fish is a noir story told in technicolor. It also puts in time as a real love letter to New York City. J Milligan is a great new writer, and this is a great new book. Jonathan Ames Somewhere off Coney Island, paddling through the seaweed and Styrofoam, is secret agent Jack Fish. As an operative of the Elders of Atlantis, he is to locate their enemy and spear him. Staggering out of the water, Jack begins his odyssey into the strange city of New York. Hes concerned about adjusting, but he discovers the Topworld is teeming with air-breathers who seem as alien as he feels. (Youre from Atlanta?) If he can make it here, he can make it anywhere. Jack Fish is just another dude from out of town, hanging out at the Mermaid Diner, scratching the webbing between his toes.

Jacks Fish Spot, in Seattles Pike Place Market, serves up the finest and freshest seafood in the Market and on the web. The yellow jack (*Carangoides bartholomaei*), also known as coolihoo, is a species of marine fish in the jack family, Carangidae. It is one of only two.
