

# Janes Infantry Weapons 2011-2012 (Janes Weapon Systems Infantry)

Janes Infantry Weapons provides you with a detailed country-by-country analysis of all small arms, infantry weapons and associated equipment in service around the world, making this resource ideal for recognition, market intelligence and threat assessment purposes. Section coverage includes individual and crew-served weapons, with each individual entry giving details of development, technical descriptions and specifications. Supporting images ensure ease of identification, while procurement needs are simplified through the inclusion of manufacturers details. National infantry weapon inventories are also included.
