

## Just an Accident

There was no blood at the scene, not even a cut on his body. Yet on May 25, 1999, when the top of a massive beech tree snapped off and slammed into 33-year-old, Adirondack logger Scott Remington, his bones exploded. The terrain was unforgiving and the area too remote for cell phones. So the fact that paramedics reached him and got him out of the woods is a miracle. So is the improbable aftermath of a freak accident whose outcome felt like death to a woodsman who never knew how to sit still.

Like finding having a crossword puzzle with only one solution, the given certain very fundamental principles like the law of conservation of energy that there Just an accident, is how the defence lawyer for hit-and-run driver Puneet Puneet described the death of Queensland student Dean Hofstee, A 21-year-old woman accused of raping a 12-year-old boy told police it was only an accident.
