

A Morons Guide to Allergies: Avoiding Pollen, Dander, Many Other Tips and More!

An excerpt, ...If you suffer from allergies, but love animals, you need to look into short-haired varieties. Animals that you are allergic to can cause unpleasant symptoms, but those with longer fur make symptoms worse. Prevent your pet from worsening your allergies by providing its own bed rather than letting it sleep with you, and keep your pet groomed.

However, B12 deficiency is far more common than most health care Long before anemia sets in, B12 deficiency causes several other problems, My allergies to mold and yeast came well before the low b12. Ny of u had such symptoms Pl tell n guide me through. I think the b 12 is just the tip of the ice burg. Allergic reactions can be triggered by many different allergens.
