Now Choose Life! is very different than other faith-based sexual addiction books. Each chapter offers a unique balance of personal testimony, practical information and spiritual truth as we follow the down-to-earth story of the escalation of one mans addiction; the impact of his compulsive behaviors on his wife and marriage; and the trials and triumphs of his recovery. Through poignant glimpses into his thirty-year battle with sexual addiction interwoven with easy-to-understand professional commentary, Now Choose Life! dispels many of the rampant myths and misconceptions about this little-understood addiction and provides indispensable education, empowering hope and a proven way out of the grip of sexual sin for every struggler. This book will benefit not only sex addicts and their spouses, but any Christian who seeks a deeper understanding of sexual addiction and the path to lasting freedom.
